Message from the Head of Academy

Welcome to Stillness Academy! Whether you are returning for another year or joining our community for the first time, this guide will make enrollment easier to understand, and get you on your way to learning.

Here are some important points about this year's enrollment:

- **Returning families:** Your place in the academy is reserved as long as you maintain continuous enrollment. You will be asked to complete a new application to maintain accuracy of our records. By resuming classes at the beginning of this school year, you are committing to enrollment for the entire school year.
- **New families:** Applications are accepted year-round, and onboarding for new students will be scheduled once the required documents are submitted and processed (see Page 5 for the list of required forms). Notification of acceptance is made after completion of Onboarding.
- **Payment Plans:** Pages 8 and 9 outline annual tuition, fees, and payment options.
- **School Calendar:** To assist with personal planning, we have listed major events for the 2022-2023 year on Pages 16 and 17. While we try to follow the calendar as much as possible, the schedule is subject to occasional change.

We look forward to serving you and your family this year! Please reach out anytime you have a question, concern, or just want to talk about the school, your training, or your child.

Our Mission

The mission of Stillness Academy is to foster the holistic development of its students, for the good of the people and planet around them.

Our Philosophy

The world we share in this digital age moves faster now than ever. As humanity races into the future, we face the challenge of safely integrating technology that evolves faster than our biology.

The rates of mental and physical dis-ease and disorder are growing across the country, in citizens of all ages. More and more, these problems are impacting those most vulnerable: our youth. We believe that the default state of organic life is health, and that it is critically important to maintain this birthright through proper education and action.

We take a holistic approach to health, fitness, martial art, psychology, philosophy, success, and wellbeing, and adapt traditional methods for our modern students as needed. We maintain respect for the great works and traditions of yesterday, and seek to leverage their wisdom to meet the needs of today and tomorrow.

Academy Rules

As members of the Academy, students are expected to follow these rules, which are in place for the health, safety, and benefit of all.

1. Be Honest.

Be honest with yourself, and with others. The other rules depend on how well you follow this one.

2. Be Respectful.

The Academy is a special place. Treat it with respect.
We share but one world. Treat it with respect.
Treat others with respect. You have one life.
Treat yourself with respect.

3. Be Kind.

Do no unnecessary harm. When you understand yourself/others, kindness and compassion are easier. When you don't understand, you can still be kind. Be kind to yourself. Be kind to others.

4. Step with care.

Every step you take leaves a mark on the world and your self. Do not run in the Academy unless instructed. Step with strong, quiet feet. Leave goodness in your wake.

5. Ask permission.

Ask permission to use equipment, unless otherwise specified. Students may not enter staff areas without permission. Ask permission to help/coach/touch others. You can use the the Three Languages (Heard, Felt, Seen) to ask.

6. Leave it better.

If you use something, put it back. When you leave an area, leave it as you found it, or better. Leave people better for having spent time with you.

7. Do your best. Always.

No one is perfect. We all fall short. When you do, be honest and own it. Failure is an opportunity for growth. Respect the fact that you are human, and move forward as you attempt to do your best again. Always.

Academy Core Values

Love: Remember that love is a verb. Do it.

Integrity: Do the right thing. You are watching.

Service: You have the power to help others. Use it.

Wonder: Stay curious. There is always more to appreciate.

Growth: Discovering your Self is a continuous process. Keep going.

General Policies

Class Preparedness

Students are expected to bring required materials for all classes, although not all materials will be used in every class. Coming to class unprepared (missing required materials, noncompliance with uniform and hygiene policies) may result in restriction from class participation.

Uniforms

Academy uniforms (long or short, as prescribed and sold by Stillness Academy) are to be worn during classes and specials unless otherwise specified. Uniforms must be clean and free of foul odor and debris, such as body odor, smoke/ash, and animal smells/fur, in order to participate in training.

Stained, ill-fitting, torn, damaged, or otherwise unapproved uniforms are not permitted, and must be replaced before training.

While training in the long uniform, Academy shorts, underwear, and grappling tights are permitted under the pants. Jeans, khakis, and sweatpants are not permitted to be worn under the long uniform.

While training in the long uniform, fitted t-shirts, rash guards, bare chests, and sports bras are permitted under the top. Baggy shirts, collared shirts, and shirts with accessories (pockets, sequins, glitter, buttons, etc) are not permitted under the long uniform.

While training in the short uniform outdoors, running shoes will often be required. Skateboarding shoes, basketball shoes, cleats, “Crocs”, flip-flops, etc are not permitted in classes, unless otherwise specified.

Hygiene

Much of the training at Stillness Academy requires close contact with others, and as such, requires consideration for the safety and comfort of others. Do not force instructors or training partners to endure poor hygiene, dirty hands/feet, strong body odor, offensive breath, etc.

Students should shower **before** and **after** training. This is especially true if attending classes after being physically active, or after bowel movements, after smoking, or after being exposed to smoke.

Fingernails should be clean and trimmed close to the nail bed before training. Excessively long fingernails (as determined by the Academy) are a training hazard, and students may be asked to trim nails before being allowed to continue with training. Nail polish is permitted, provided that it does not rub off on equipment or others. Should rub-off occur, students may be asked to remove nail polish before resuming training.

Jewelry is a training hazard and must be removed before class. Occasional exceptions may be made at the discretion of the Academy. For married students that prefer to wear a wedding band at all times, silicone wedding bands are **highly** recommended. Ornate/textured/jeweled wedding bands are not permitted during training under any circumstances.

Makeup/facepaint/marker drawings on skin is not appropriate for training and should be washed off before classes.

Off-site Training

While most classes occur at the Academy, training will occasionally extend to off-site locations, typically in the Beaufort areas surrounding the Academy.

Competition

Competition is a common and exciting aspect of martial arts and combat sports. Individual competition is an individual choice, over which the Academy holds no authority or responsibility. However, many organizations require that competitors register to compete **for** a school. If a student intends to compete under the name of, and as a representative of Stillness Academy, then they must abide by the following guidelines:

- Competitors must request to compete for the school and be approved for competition before **each** event.
- Competitors must compete in an Academy uniform, unless approved otherwise.
- Competitors may not “cut weight” and should compete at a weight that approximates their everyday weight.
- Competitors will wear white colored belts, unless approved otherwise.
- Competitors must remember that they are representatives of Stillness Academy, and carry themselves as such.
- Failure to abide by these guidelines may result in the loss of ability to compete for the school, suspension, or expulsion.

Calendar

Stillness Academy operates on a “School-Year” style calendar. **This calendar is subject to change.** In order to provide you with our best education and highest level of service, there may occasionally be additional closures as staff attends continuing education courses/seminars/etc. Advance notice of such closures will be provided as soon as possible.

Additionally, inclement weather may sometimes result in Academy closures. In this regard, the Academy will typically follow the lead of the Beaufort County School District. This may not always be the case, and will ultimately be determined at the discretion of Stillness Academy.

Check the Academy announcements frequently and contact the office with any questions.
